REGION OF THE YEAR

Géniu\$ - Canada Roselyne Seney

Senior Regional Vice President Roselyne Seney of the Géniu\$ Region recalled a dream about her Region receiving this prestigious annual award. On stage at **LITE14**, it came true as she accepted the well-deserved honour of Canada's Region of the Year for 2013-2014 on behalf of her Region.

It was an emotional moment for Roselyne and her team.

"It's been 18 years that I've had this Region and it's been with exceptional people," she said.

As a long-time SRVP, Roselyne recognizes the important role of her entire team.

"Géniu\$ represents every single member of my Region," she said. "They are all thinkers, inventors and achievers. Together we generate brilliant ideas. Géniu\$ simply means 'THE BEST!'"

To receive the award, a Region needs to

show consistent activity and growth in five areas: developing new Leaders; growth in Region sponsoring; growth in Region sales, Consultant activity and new Consultant success. A Region must rank high in ALL of these to be in the running.

Over the past year and throughout her time with PartyLite, Roselyne has kept her team headed in the right direction, according to Tracie Graham, Vice President of Sales, Canada.

"Roselyne is consistent in everything she does," Tracie said. "Her performance, message and expectations are consistently high! She has mastered the ability to keep her team motivated and productive through all the ups and downs of this business."

It's obvious that Roselyne provides excellent Leadership and support to help her Region continue to reach new heights. As a Region, they represent excellence through teamwork and a focus on accomplishing great things together!

Congratulations, Roselyne Seney and the entire Géniu\$ Region!

REGION OF THE YEAR

Masterpiece – U.S. Kim Yanuskiewicz

Cheers, smiles, hugs and even a few tears followed the highly anticipated announcement of the U.S. Region of the Year at **LITE14**. The effort of these deserving groups exemplifies a business strategy representing the very best in PartyLite for consistency, growth and achievement during the recognition year.

For a second straight year and fourth time overall, the Masterpiece Region, led by Senior Regional Vice President Kim Yanuskiewicz, took home the top honour.

"It never gets old, even after the fourth time, to achieve the highest honour you can get in PartyLite," she said.

Kim recognized her entire team for their effort to maintain such a high standard.

"It's so special because it isn't about me – it's all about us – this team we call Masterpiece. This incredible group of people never ceases to amaze me. They amaze me with their loyalty, perseverance, courage and integrity."

Kim described the team as the real heroes. "Success without integrity is failure," she said, citing a favourite

inspirational quote. "And integrity is the essence of success and the heart of the Masterpiece Region. To say I'm proud just doesn't describe it. I'm filled with honour, gratitude and humility that I get to lead such exceptional people."

Karen Conkey, U.S. Vice President of Sales, described Kim as an "incredible Leader."

"Region of the Year is a unique recognition because it measures the performance of a Region in five categories over a 12-month period," Karen said. "The consistent high-level performance is the result of an incredible Leader being able to focus and maintain her team's commitment to having consistent growing businesses. Kim embodies that kind of Leadership, which is why she and her team have repeatedly earned Region of the Year."

The Masterpiece Region, led by Kim, continues to shine by their unstoppable drive and commitment to helping one another achieve goals. Once again, this Region sets the bar high and leads by example with exceptional results.

Congratulations, Kim Yanuskiewicz and the entire Masterpiece Region!

Commitment Award**

20 YEAR RVP

REGIONAL VICE PRESIDENT **HÉLÈNE MARCOUX**

LA GALAXIE D'ÉTOILES, Canada

Start Date: Nov. 10, 1993

Twenty years ago, PartyLite Canada needed a champion to begin developing the French-Canadian market in Quebec. Then one day, Regional Vice President Héléne Marcoux had a life-changing lunch date.

"I'm still shivering when I think about it today!" she says. "Former Regional Vice President Murielle Pomerleau showed me the catalogue and explained the PartyLite business plan to me... but only the RVP one. Wow! I was convinced that everyone would want to have such an amazing opportunity! From the beginning, we focused on short Parties with a lot of excitement and exchange of ideas."

Excitement, energy and commitment are hallmarks of Héléne's entire approach to business and life.

"When Héléne believes in something, it's with her heart, spirit and soul," says Tracie Graham, Vice President of Sales, "I love working with her because she is so passionate about helping people succeed. She says and does everything with her heart. And even after 20 years, she still leads with the same true desire to see people, the company and her entire business succeed."

Once Héléne decided to take the PartyLite plunge, she never looked back.

"Our sons were 6, 8 and 10 years old. My husband said he was 100% with me, and he did that perfectly. Our goal was clear: I had to become an RVP in a year! I live in a small town and I had to drive a lot in order to expand my business with a good strategy. I really liked presenting the business and Leadership opportunities. So I would always start by telling people about the Leader role first, and then if that was not for them, we would organize a Party, which would often turn into grand-opening Parties because people would see how easy it was for me. And, you know what? I became an RVP 11 months later! Mission accomplished with a team of Leaders. Really a DREAM!"

Héléne's success over the last 20 years has changed her life – and the lives of those around her – for the better.

"It's been a complete transformation," she says. "With time and good planning, my business started expanding, and I gained confidence. It worked, so we moved on to the next step! I have so many beautiful

memories, our house, the cars, family trips and our retirement plan! We even realized that one day, we could help our boys with university! With PartyLite, everything becomes possible: believe in it, follow your business plan, invest your time, be consistent. That's what makes the difference."

Passionate, purposeful and outgoing, Héléne knows she's accomplished her goals in the company of many wonderful people.

"First, my sponsor, Murielle Pomerleau. I often think about her and I would like to thank her for inviting me for lunch that day. But in the end, my Leaders are the reason for my success with PartyLite! They are all extraordinary women. As Nelson Mandela said so well: "None of us acting alone can achieve success." My Leaders are the success of our Region: Their commitment to their team, their Hosts, their Customers along with their determination to succeed and adapt.

I admire the great work they do with their businesses, and it is a real privilege for me to represent them as the RVP of our beautiful region, la Galaxie d'Étoiles, which they all are... stars."

Héléne has been a beacon of hope over the last 20 years, bringing opportunity and possibility into the lives of many people along the way.

"When one candle lights another one, it doesn't shine any less afterwards," she says. "Becoming a Leader at PartyLite is a way to make a lot of dreams come true, but it's also an excellent way to grow as a person. I am a better person, a better mom, and a better friend thanks to all these years with PartyLite. I am so proud of the influence I've had on my children, without even realizing it, with the example I gave them every day through my work! They saw me evolving in my work, and all my activities and today, they have grown to become reliable men who are committed to their work. They believe in their potential and they know that their success starts with them."

Twenty years into her career, Héléne is more determined than ever to share the possibilities of PartyLite.

"Everyone deserves to get a taste of the opportunities that Leadership at PartyLite brings. It's a gift that you will treasure your whole life."

That's exactly what Héléne is doing. Congratulations!

"I am a better person,
a better mom,
and a better friend
thanks to all these
years with PartyLite."

20 YEAR RVP

HEATHER JENKINS, REGIONAL VICE PRESIDENT
TREMENDOUS PURSUITS, Canada
Start Date: Feb. 4, 1994

"This business is about optimism for the future...for me and my team," says Regional Vice President Heather Jenkins who's celebrating her 20th anniversary with PartyLite. "It's the people who keep me going through the good times and the tough ones, too."

Since day one with PartyLite, Heather has used her business as a vehicle for living a balanced, fulfilling life.

"I love the flexibility," she says. "I'm fairly certain I will never fit into a regular job ever again! Because of PartyLite, I've been a stay-at-home mom while running my own business. This has allowed me to put all my kids through the best private schools in Canada. I always had the flexibility to drive them to school every day and pick them up and do all the running around. I was a hands-on mom even though I was busy running a business, too."

Heather's business started in the Toronto area, shifted to Montreal when her husband Kevin was transferred and then moved back to the Toronto area. So she's built a Region that stretches far and wide.

"Heather has Leaders in the Northwest Territories, Ontario, Quebec and the Maritimes," says Tracie Graham, Vice President of Sales, "So she's always looking for the best ways to connect with her team to keep them inspired and create new ideas together. Heather has such a kind spirit. She's very relatable, approachable, kind, soft-spoken and very creative"

Heather and her tightly-knit team stay close even though they're great distances apart.

"We're very diverse in locale but we're in contact all the time with BBM," she says, referring to Blackberry Messenger, a communications staple throughout Canada. It keeps her connected to the team she cares about so much. "I love my Leader team," she says. "They are a loyal group who are very supportive and encouraging of each other. We all work together so nicely even though we are in very different places."

And her Leaders are equally effusive in their affection for Heather.

"The first word that comes to mind is genuine," says Senior Unit Leader Robin Conklin. "Heather is very caring, very honest and supportive

and, when you have a bad day, she's the first one to pick you up and dust you off!"

Unit Leader Diane Andersen agrees. "Heather leads by example," Diane says. "She's very supportive and encouraging. She always goes to bat for us and is a true inspiration to all of us."

Heather is quick to recognize others who have influenced her business – and her life.

"My husband Kevin has been huge in my business," she says. "My kids were little in the early days, so when I was out at a meeting or Party, he was the one at home doing baths and bedtimes, reading stories and all that. He's just been a big supporter helping to cover for me and support me as much as he can. And I have to give a big shout out to Senior Regional Vice President Debby Richardson and my upline, Regional Leader Carolyn Stirling. We've just worked together so solidly for so many years. We're geographically so close and we do a lot together. They've shaped my bunch."

Perhaps the biggest benefit has been not only being there for her kids, but also setting a great example for high ambitions and hard work.

"My children have seen me persevere even when things weren't easy...whether it was the realities of the business or things in our personal life that presented challenges. They've seen that I keep at it and try to ride out the good and the bad. I hope they've learned that you can schedule and prioritize all the things that are important to you in your life – business, family, hobbies, church, school. We all have so many parts of our lives that need a piece of us. And they've grown up seeing me try to do that. I'm not just all about work or all about mom. I try to have balance in my life and I've tried to model that for my children and my team as well."

For 20 years, she's done it all and had it all while overcoming lots of challenges. Along the way, Heather Jenkins has raised a family, built a business and surrounded herself with loyal, loving friends and colleagues. True to her values and ambitions, Heather's career with PartyLite has been a well-rounded success and she's not done yet.

Congratulations, Heather!

"This has allowed me to put all my kids through the best private schools in Canada."

– Heather Jenkins

20 YEAR RVP

KATHY NELSON, SENIOR REGIONAL VICE PRESIDENT
LUCKY STAR, United States
Start Date: April 28, 1994

Even as she celebrates her 20th anniversary with PartyLite, Senior Regional Vice President Kathy Nelson is just as committed and enthusiastic as ever.

"Whenever the UPS man rumbles down the street, it still feels like the first time. I still get excited about earning the challenges and shooting for the incentive trips. I go for everything they put out there."

That's the way she built her business and it's exactly how she keeps it thriving today.

"Sometimes I feel like my PartyLite journey has gone by in the blink of an eye," she says. "I started the business when I was on maternity leave with my second child. My close family friend, Barb Butler (who just retired from PartyLite) sponsored me and it just felt like everything was happening at the right time for the right reasons. It was definitely a leap of faith to quit my job and stay home with the kids, but after my first year as a Leader, I replaced my full-time income."

According to Vice President of Sales Karen Conkey, she's done a lot more than that.

"Kathy's been one of the top Senior Regional Vice Presidents and income earners in the business. She's developed a strong sponsoring skills, and some of the top sellers in the entire company are consistently in her Region. She's solution-oriented and focused her team on doing things the right way. Kathy has been a strong mentor to her team and a good team player on the RVP team."

As she reflects on 20 life-changing years with PartyLite, Kathy has a lot to be thankful for.

"Today my kids are both in college and PartyLite has been there every step of the way giving me the flexibility to be there for them while providing the income we needed to live the lives we always dreamed about."

Despite the fact that her Region is named "Lucky Star," Kathy knows that success takes more than luck. It's her relentless work ethic that has made it all possible.

"The saying goes, 'Luck is what happens when preparation meets opportunity.' With PartyLite, everyone has the same opportunity. It's what you make of that opportunity that separates you in this business."

That optimistic, hard-working spirit has made true-believers of her many Leaders and team members in the Lucky Star Region.

"Kathy has mentored me as a friend, mother, Consultant, trainer and Leader," says Unit Leader Gina Lukaszewicz. "And she does it because she cares about my family's needs and desires."

Unit Leader Debby Shallock agrees. "Kathy is an amazing Leader, role model and mentor. I'm proud to call her my friend. I am always impressed by the way she handles every kind of situation and always gives everyone the benefit of the doubt. We are truly blessed to have the best SRVP we could have."

That's high praise indeed. So what's Kathy's advice for the next generation of PartyLite achievers?

"Throw your heart over the fence and the rest will follow. There's nothing that one Party won't fix! You never know who you're going to meet at your next Party. So just keep doing Parties and great things will continue to happen. You're always meeting new people, new Customers, new Guests, new Consultants and future Leaders."

Shoot for it. Do your best. When you're working hard and working the program, good things just happen."

Many "good things" have happened for Kathy over the last 20 years, and she knows that now is the perfect time to give credit where credit is due.

"I just want to thank PartyLite for the opportunity to grow as a person and offer this life-changing opportunity to others. I've seen and lived all that PartyLite has done for me, and I'm just as passionate as ever about helping others to experience the same thing."

In her words and deeds, Kathy has embodied the true values and possibilities of PartyLite for 20 incredible years.

Congratulations, Kathy!

"When you're working hard and working the program, good things just happen."

20 YEAR RVP

JULIE HILARIDES, REGIONAL VICE PRESIDENT
TREASURES, United States
Start Date: April, 29 1994

It helps to be a people person in this business and, as she celebrates her 20th anniversary with PartyLite, that's exactly what Regional Vice President Julie Hilarides has always been.

"I believe that people need to be a part of something bigger than themselves," Julie says. "That's the personality of our team. And that's why I chose Treasures for my Region name because it's the people who are the real 'treasures' in this business even beyond the money, the rewards, the freedom and flexibility."

This people-first mentality has propelled Julie's career and earned her the love and loyalty of her entire team.

"Julie is an amazing RVP and we love her so much," says Unit Leader Glori Hiltabidel. "She teaches us that through determination we will all succeed in PartyLite and life."

Unit Leader Chris Leshner, an 18-year veteran of the Treasures Region, feels just as strongly about Julie's leadership.

"Julie always sets high expectations for me and encourages me to rise to every challenge. Her positive attitude has always impressed me and she is one of the smartest, most creative people I know."

Julie's been a prominent Leader for so many years. But 20 years ago, she nearly took a pass on PartyLite.

"I had worked for years in the insurance business and, after our daughter Carissa was born, I stayed home with her just like Randy and I had always planned. But I missed dressing up and working every day. When she was a year-and-a-half old, I was looking for something to do.

"I went back to Minnesota to visit my family, and my mom invited me to a PartyLite Party that she booked because she knew I loved candles. It turns out that my fellow future RVP, Kimber Krosschell, was the Consultant. My mom needed one more Party to earn a booking gift, so I agreed to do it. My Party had \$400 in sales, but Kimber said she wouldn't close it out until I gave her an answer to that famous question, 'Have you ever thought of doing this?'"

"So I said I would try one Party, and I did. My intention was not to stay with this full time. I just wanted to fill my candle cupboard and move on. But I never did, and my candle cupboard still isn't full!"

One of the great benefits of her business has been joining what Julie calls "the sisterhood of RVPs".

"We're all very close and we help each other in so many different ways," she says. "SRVP Tammy Mormann, RVP Diane Brabant and Kimber, of course, they've been very influential and supportive and we've all walked this journey together all these years."

Vice President of Sales Karen Conkey has always admired Julie's entire approach to the business.

"We're given a unique opportunity to give value to people and also to be valued as people."

– Julie Hilarides

"She's a strong Leader who's very caring about the people on her team and the people in the company. Julie's always willing to go the extra mile to help the company. Whether it's with suggestions to product design, product launches or training, she's always supportive of the latest initiative and she's very creative."

Through banner years and tough ones, too, Julie has kept her focus on the truly meaningful part of this business: the people. And this commitment to helping others has become a reflection of more than her approach to business. It's her outlook on life.

"Everybody needs to be valued in life," she says. "That's what makes PartyLite so special. We're given a unique opportunity to give value to people and also to be valued as people. As a Region, my Leader team and I have been through marriages, divorces, babies being born, tragic deaths – you name it. But through it all, we kept going and we've always loved and cared for each other. I truly believe that's what good Leaders do; they persevere and keep dreaming big dreams to help others achieve theirs."

Judging by her personal and professional success over the last 20 years, Julie lives up to her own definition of a good leader: she's still dreaming big and inviting her "Treasures" to dream along with her.

Congratulations, Julie!

20 YEAR RVP

SHONDA MULCAHEY, SENIOR REGIONAL VICE PRESIDENT
ON THE GREEN, United States
Start Date: June 24, 1994

The world of PartyLite is filled with inspirational stories of personal triumph over adversity. Senior Regional Vice President Shonda Mulcahey – who’s celebrating her 20th anniversary with PartyLite – is a shining example.

“Twenty years ago, I’d just gone through a divorce,” she recalls. “I had two small children. My ex-husband was a compulsive gambler and we had severe financial problems as a result. In desperation, I sold my engagement ring and wedding band. When I couldn’t make my car payment, I drove it back to the dealership and handed them the key.”

Down to her last \$20, Shonda went to a PartyLite Party for a little low-cost entertainment, and things just started to happen.

“I was looking around the room watching people buy things and I thought, ‘Ok, I can do that! People are making money doing this!’ Back home, I was going through the catalog when I came to the income opportunity section. I thought, ‘Now wait a minute! I could make a lot more money doing this than working at the mall!’ Then when I looked at the Leader income, I was intrigued to think that I could make six figures doing this.”

That was 1994 and Shonda was living day-to-day. But she took the leap and was able to quit her job a year later. When she attended her first PartyLite Conference, the opportunity came into focus.

“That’s when I saw the big picture. After Conference, I went home and made my plan to quit my job by the end of the year. I quadrupled my income in four months. Before I knew it, I was my own boss!”

In 1997, she earned six figures for the first time and never looked back. But beyond the financial security and all the perks of Leadership, Shonda’s proudest of how her business set a lifelong example for her sons.

“Twenty years later, the most amazing thing is my boys’ work ethic. At age 25, my oldest son, Kayle, owns his own car dealership. My younger son, Garrett, 23, is training for the Army Special Forces. I don’t think I’ve ever come across two young men who are so motivated and hard working. Of course, I’m biased!”

Vice President of Sales Karen Conkey attributes Shonda’s success to her non-stop work ethic and dedication to her team.

“Shonda lives in North Carolina but travels back to the heart of her Region in Washington every month, and that really demonstrates her commitment to her team, her business and all of PartyLite. She’s also learned to make the most of social media to stay connected with her team – she’s a real innovator and an inspirational Leader.

“Beyond that, Shonda has really supported the company by participating on advisory teams, video productions, RVP meetings and Conferences. She is always very thoughtful and creative in her approach to whatever she does.”

Her devoted teammates are vocal about their love and respect for Shonda.

“Shonda has been an inspiration to me throughout my 16-plus years in PartyLite,” says Group Leader Donna Chinn. “She has a positive spirit always and conducts herself in a giving and generous fashion treating Consultants and Leaders alike with respect and care.”

Unit Leader Darlene Tyler admires Shonda’s non-stop commitment to the On The Green team. “Shonda has been a role model for me since day one,” she says. “She has come to Washington almost every month to be with her team, which really says a lot about all of her hard work and dedication for the last 20 years.”

Even with 20 years of consistent success, Shonda still has sky high expectations for her future.

“All these years later, I’m still single and I always say, ‘Any man is going to have a hard time competing with my PartyLite because they give me vacations, jewelry, diamonds, money, clothing, prizes... and they ask my opinion a lot! What man can compete with that?’”

Although she’s playing hard-to-get in her personal life, Shonda’s still head-over-heels for PartyLite.

“This PartyLite family is what keeps me inspired every day. Not just my lineage but also the other RVPs and the PartyLite staff. My boys witnessed the power of the entrepreneurial spirit and what can happen when you believe in yourself. That’s been the greatest success of all.”

Congratulations, Shonda!

“When I looked at the Leader income, I was intrigued to think that I could make six figures doing this.”

– Shonda Mulcahey

20 YEAR RVP

LAURA DAVIDSON, REGIONAL VICE PRESIDENT
ON CLOUD NINE, United States
Start Date: Aug. 23, 1994

Back in 1994, Regional Vice President Laura Davidson was looking for a way to pay for her wedding and nothing more.

"Selling PartyLite could help with wedding expenses, but I didn't want to do it any farther than that," she recalls, "and I said that up front!"

But that all changed when she discovered the independence and earning power of a healthy PartyLite business.

"The light really went on when I had my first son, Devon. I wanted to stay home with him while still contributing financially to my family. PartyLite was the answer for me then and it still is today. Thanks to PartyLite, neither of my children has ever been to daycare. I've been to every field trip and school function, and I've done everything I wanted to do as a wife and mother while still making a great income."

For Laura, the money, trips and rewards she's earned over the last 20 years are a distant second to the freedom of being her own boss. That freedom made all the difference when her mother was diagnosed with leukemia eight years ago.

"I was able to be her care provider the entire time. It was all possible because of the earning and flexibility of my business and the way my entire region rallied around my family. They brought meals and helped out in a million ways to keep the business strong and the team together."

Vice President of Sales Karen Conkey sees Laura as a true Leader who's as committed as ever to her business and the success of others.

"Laura's very generous with her time and experience," Karen says. "She's stepping up as a trainer at Conference this year and that's reflective of what a great Leader and motivator she is back in her Region. They're really surging these days and it's because Laura's gotten her team very focused on sponsoring and, of course, her outstanding Leadership."

Unit Leader Meg Zamora of the On Cloud Nine Region agrees. "Laura is always there for me when I need her," she says, "both for my business and as a friend. She is an incredible person and a terrific Leader herself."

She has encouraged me to be a better person and Leader, too."

"Laura continues to influence all of us on a daily basis," adds Unit Leader Jeannie Baumann. "She's always there for us to brainstorm with towards our next goal and she is one of the most kind, honest and hardworking people I've ever met."

Today, as Laura celebrates her 20th anniversary with PartyLite, she has many great memories. But promoting to Regional Vice President back in 2008 is at the top of the list.

"My Region put on a big celebration that was better than my wedding reception! My Leader team made nine cloud-shaped cakes, and since it takes nine Leaders to make a Region, each one of us had our own cake with our name on it. We truly were 'On Cloud Nine.'"

"Thanks to PartyLite,
neither of my
children has ever
been to daycare."

– Laura Davidson

Another proud moment was on the most recent PartyLite trip to Cancun – her 16th trip with PartyLite.

"When my niece turned 18, I took her to Cancun as a combination birthday and graduation present. It was the first time she'd ever been on a plane and we just had a wonderful time. I was so proud to do that for her. It never would have happened without PartyLite."

Laura knows she hasn't done it alone.

"My husband, Curt, just doesn't get enough credit sometimes. And my Leader team has been my rock through everything. With PartyLite and my Region in particular, we're not just co-workers, we're family."

As she celebrates this 20-year milestone, Laura has plenty to be thankful for.

"I was just 24 when I started, and I could pinch myself sometimes when I think about everything I've done, all the places I've been and all the wonderful people I've gotten to know."

She's been On Cloud Nine for 20 years with PartyLite, and you know what? Laura Davidson is just getting started!

Congratulations, Laura!

20 YEAR RVP

SENIOR REGIONAL VICE PRESIDENT **ROSELYNE SENEY**

GÉNIU\$, Canada

Start Date: Aug. 25, 1994

Senior Regional Vice President Roselyne Seney may be celebrating her 20th anniversary with PartyLite, but she remembers her first encounter with this opportunity like it was yesterday.

"Right away, I fell in love with the glow of the products and the beauty of the accessories," she recalls. "I volunteered right away to host a Party and Jeannine Loffredo, my sponsor, gave me the opportunity to become a Consultant after that Party. I had never worked in sales before and, back then, it was completely out of the question for me to go into other people's homes to sell them something. So I declined the offer. But when Jeannine explained the career and growth plan to me, I said, 'yes.' Building a team and helping other people grow; that was interesting to me. I became a Leader during my Brite Start! So, right away, my goal was to sponsor and develop Leaders."

That early success foretold a sterling career that, according to Tracie Graham, Vice President of Sales, has been the model of consistency from day one.

"Roselyne is a trailblazer," Tracie says. "She doesn't wait for anyone to press the 'stop' or 'go' button. I love working with her because if she sees an issue or an opportunity, she's the first one to pick up the phone. And there is no doubt that, once she gets her mind set on a goal, she never lets a barrier or a roadblock get in the way. Roselyne is consistent in everything she does. Her performance, message and expectations are consistently high! She has mastered the ability to keep her team focused on the right things and they have excelled in the areas of productivity because of it!"

Always focused on the needs and possibilities of her team, Roselyne believes the name of her region, Géniu\$, says it all.

"Géniu\$ represents every single member of my Region. They are all thinkers, inventors, and achievers. Together we generate brilliant ideas. Géniu\$ simply means: THE BEST!"

Her fondest PartyLite memory? The day she – and her entire team – became a Region.

"My feelings of pride and accomplishment were sky high. I was so happy to see how proud the people of my Region were. I could see it in their eyes. We were all celebrating the accomplishment of a

common goal – my members finally had THEIR OWN Region. We were all overwhelmed with a great feeling of success."

Since then, Roselyne has surrounded herself with a Leader team she believes is second to none.

"My Leaders are all exceptional people," she says. "They are committed, determined, and passionate. They have great Leadership skills and a great sense of professionalism."

In addition to her team, Roselyne has a place in her heart for one very special fellow Leader.

"Hélène Marcoux influenced me a lot. The first Regional meeting

I went to was the one where she was celebrating her promotion to RVP. When I saw her on stage, I dared to imagine that I would be next to her one day because I also wanted to become an RVP."

She did it. And, since then, her success has benefitted her entire family in many ways.

"I gave myself the best gift ever by growing my financial independence with PartyLite," she says. "Before I started my business, my husband was the main breadwinner in the

family. It changed our family values and our dynamic as a couple. The best gift I gave to my children was to show them – with my example – that no matter what our dreams are, we all have the potential to achieve them. All it takes is to believe."

Over 20 high-achieving years, Roselyne has put her outstanding Leadership skills to work to change countless lives. She's learned some important lessons along the way, including one in particular.

"After all these years, I have learned that the best quality an RVP can have is to accept people with all their differences. My Region is a place where people can learn, grow, evolve, listen to each other, and help each other out."

Twenty years later, she's still doing exactly that.

Congratulations, Roselyne, and the entire Géniu\$ Region!

"I became a Leader during my Brite Start! So, right away, my goal was to sponsor and develop Leaders."

– Roselyne Seney

20 YEAR RVP

SHERRY KARABATSOS, SENIOR REGIONAL VICE PRESIDENT
DREAM MACHINE, United States
Start Date: Sept. 6, 1994

"We've always had a saying," says Regional Vice President Sherry Karabatsos, who's celebrating her 20th anniversary with PartyLite. "Bring us your dreams and we'll nurture them and make them grow."

Sherry's focus on the aspirations of others inspired her to name her Region "Dream Machine," and throughout her exemplary career, that's exactly what it's been.

"I've watched people who couldn't even pay their electric bills just transform everything with PartyLite.

I've watched this company pay for weddings, funerals, educations, divorces, marriages, you name it! PartyLite has changed my life personally and financially, too."

The rewards she's reaped – along with her husband and biggest supporter, John – are great...and many.

"This business has paid for my kids' educations. It's paid for all their weddings. I've transformed my whole house with major additions and a swimming pool. I even gave my husband a Harley Davidson for his birthday. And now I'm spoiling my grandkids! PartyLite really is a 'Dream Machine', and the last 20 years have been more than just profitable, they've been fun and meaningful, too."

While Sherry's been transforming her life since 1994, she's done it by influencing the success of many others at the same time. Her Dream Machine Leader team is effusive in their respect – and affection – for their compassionate and effective Leader.

"Sherry has not only been instrumental in my success as a Leader, she is my dear friend for life," says Unit Leader Tina Bushi. "She has shown me by example over and over again how to pick yourself up and get back to work. No matter the situation, I know I can count on her to give me good, sound advice. She is proud of her Leaders and she doesn't hesitate to let us know."

Sherry's success influenced her daughter, Kelly LaMonica, to walk in her mom's footsteps by starting her own PartyLite business.

"She's not just my Leader, she's my mom!" Kelly says. "And over the years, she has taught me and countless others to NEVER quit and NEVER stop dreaming! She is a woman of incredible character and values and she helps us every day to get through the road bumps of life! I love her and thank her for helping me become a lifelong entrepreneur!"

Like so many others, Vice President of Sales Karen Conkey is a fan of the Dream Machine's matriarch.

"Sherry is a Leader who has stayed very close to the culture and values of PartyLite," Karen says. "She's a very hard worker who's always willing to go above and beyond as a trainer and on task forces. She's always an advocate for doing things the right way with a constant focus on results."

For this accomplished, veteran Leader, doing "good" is a big part of doing well.

"How often do you work a job where you can really say 'that made a difference?'" she asks. "That's the really neat thing about this business. I can look back on my journey and say, I helped that person and that person and I showed them a better life."

Her inspiration? An excerpt from Thomas Paine's book, "Common Sense."

"In the poem, he basically says, 'Nobody's going to tell me what I am going to do. Everybody has a right to be independently wealthy if they choose to do the work to get there.' He says, I do not choose to be a common man. It is my right to be uncommon...if I can! I live by those words because I believe in working hard, to achieve my dreams. And it does take work. The hardest thing is to keep yourself going when everyone around you is telling you to give up. That poem tells us to move forward boldly. Don't be afraid. Just go. Seek opportunity. Who says you can't be whatever you want to be – except you?"

Sherry has lived those words and, in the process, she's transformed her business into a real life "Dream Machine."

Congratulations, Sherry!

“How often do you work a job where you can really say ‘that made a difference?’”

– Sherry Karabatsos

20 YEAR RVP

GINA FLETCHER, SENIOR REGIONAL VICE PRESIDENT
TRANSFORMATION 2.0, United States
Start Date: Oct. 19, 2014

Senior Regional Vice President Gina Fletcher was practically destined to be her own boss one day.

"I grew up in a very entrepreneurial family and always wanted to be self-employed," she says. "I loved the flexibility that I saw my family had through their businesses, and that's what I wanted for myself. Back in 1994, I went to a PartyLite Party that I didn't even want to attend. I just went to be a good friend and eat her dessert! But I was shocked to see that the Consultant doing the Party was making double the money I was while working half the hours!"

So Gina started her business and took the first steps on her life-changing PartyLite career path.

"Right off the bat, they announced there was a free trip I could earn. So I immediately made that my focus, and I earned it after just six months in the business. On the trip, I looked around and realized there were a lot of people making great money doing this! I was dumbfounded and I wanted more.

"When I got back, my boss at the time gave me an ultimatum. He said, 'You need to quit that PartyLite thing and come here full time.' So I did the opposite. I quit my job and did the PartyLite thing full time!"

Not long after she had her first successes in the business, life took a major turn for Gina.

"It was September 1995, and I was diagnosed with multiple sclerosis."

True to form, Gina fought through this progressive, debilitating disease and built a successful Region. In addition to inspiring the Transformation 2.0 Region, she's also a spokeswoman who inspires others dealing with MS to live full, healthy lives.

"Gina has such a positive attitude and contagious smile that makes us want to succeed," says Unit Leader Alvita Russell. "She is truly our biggest cheerleader. Even when business is not so great, she has a way of making us feel good and helping us to see what we can do

to turn it around. And the way she has dealt with her MS is truly admirable. She never gives up. Because she can do it, we know we can, too!"

Vice President of Sales Karen Conkey is a true believer.

"Gina's battled through her challenges," Karen says, "but she's so devoted to her team and she's relentless in her pursuit of her goals for herself and others. She loves her Leader team and she is so creative about how she works her business. Gina's been inspirational in the way she's confronted adversity and led by example."

"This business is about consistent, persistent action on a daily basis."

– Gina Fletcher

Gina has some time-tested advice for others looking to succeed and grow with PartyLite.

"This business is about consistent, persistent action on a daily basis. It's not about one Party or one sponsor. For years, my goal was to book four new Parties every week and to offer the opportunity to two people at every Party.

"As a Leader, I just love watching other people achieving goals for themselves – no matter how big or small they may be. My Leader team means so much to me. I'm just honored to work with a team of positive, motivated people who are drama-free."

Gina's quick to share her success with another major figure in her life. "My husband, Scott, and I have been married over 22 years now, and he's been a cheerleader and supporter of me all along the way. I could not have done any of this without him. He is a great sounding board and confidant.

"I also want to say 'thank you' to my Transformation 2.0 Leaders for all of their dedication, focus and positive attitudes. I really love them and consider them more than co-workers; they are my true friends."

Family. Friends. Business. Gina's a success in every possible way.

Congratulations, Gina!

20 YEAR RVP

ROXANNE ZIMMERMAN, SENIOR REGIONAL VICE PRESIDENT
SO...EXCITED!, United States
Start Date: Dec. 2, 1994

Senior Regional Vice President Roxanne Zimmerman is celebrating her 20th anniversary with PartyLite. But way back in 1994, she was a hard-working corporate soldier with no desire to start her own business.

"I would probably still be there today if my needs hadn't changed," Roxanne says. "But they did, and I'm so thankful for it!"

In short, Roxanne's newborn daughter, Alyssa, was diagnosed with a serious medical condition that caused immense disruption to her schedule at work. One day, Roxanne's boss called her into the office and informed her that she would have to make up any lost time before the end of the year.

"Something snapped in me, and I started writing from my heart about my personal situation, my career-long dedication to my job and all the sacrifices I had made along the way. The blinders were taken off my eyes. I had two daughters who needed me. I needed the flexibility that my corporate job could never offer."

Next, she started looking for a new and better way to live her life.

"As fate would have it," she recalled, "I went to a PartyLite Party shortly after that, and I decided to join on the spot. Future SRVP Linda Heide was my sponsor, and I told her I needed to do this right now!"

"I told Linda, 'I'm not in this for play money. I'm in this as a first income!' And she said 'OK.' Before long, I promoted out to Unit Leader. Then I earned my first PartyLite trip. After I went to my first Conference, within three years I was an RVP, and, yes, I quit my job."

Her favorite memory? The day she got "the call" informing her she was the newest PartyLite Regional Vice President.

"I was at home nursing my daughter, Julia, when the phone rang. It was PartyLite calling from the RVP meeting going on in Plymouth. When they informed me that I had made it, the whole room full of RVPs screamed out, 'Congratulations!'"

Roxanne knows exactly how she's achieved so much success throughout her career.

"Success in PartyLite is all about consistency. I'm just consistent, and

I've been that way for 20 years. That's what moved me into Leadership. And it's what carries me along today."

Vice President of Sales Karen Conkey agrees.

"Roxanne is one of the most consistent RVPs in our business. She's an exceptional trainer who knows how to educate and inspire her teams. She has been to every Conference, earned every trip and every bonus every month since she's started. And in the past year, Roxanne took on Leadership of another lineage, Too... Hot!. She has really brought the two Regions together with her exceptional leadership and training abilities."

Roxanne is quick to share those accolades with her entire team.

"My Leaders are incredible, and for us, it's all about what we can accomplish together as a team. Fun is what we're all about. We laugh at our meetings and at our Parties. You have to keep that fun factor in the business. Our goal is to continue to work together and have fun building our Region."

And her team is quick to praise their inspirational Leader, too.

"Roxanne has always believed in me, even when I did not," says Unit Leader Mandy Smithley. "She has given me tough love and training when I needed it, but mostly given me the tools to succeed and truly believe in my potential!"

And Unit Leader Cristina Gonzales agrees. "I'm so grateful to be a part of her team," she says. "Roxanne has amazing energy! After you work with her, you feel like you can overcome any obstacle. She's just an awesome Leader who is a great motivator. Oh, and she's super funny, too!"

From under-appreciated corporate soldier to a respected Leader among her peers, Roxanne has come a long way in the last 20 years, and she's not backing off any time soon.

"We're looking to promote out Leaders. Who knows? Maybe an RVP or two!"

When it happens, we'll all know her secret: Consistency!

Congratulations, Roxanne!

"I needed the flexibility that my corporate job could never offer."

– Roxanne Zimmerman
